Requesting approval from the Chair of the Board and County Administration to participate in the Refugee Resettlement Program, per Executive Order-13888.

On September 26, 2019, the President issued EO 13888 requiring written consent from states and counties prior to the initial resettlement of refugees in their jurisdictions by the federal government. Pursuant to the EO, on November 6, 2019, the federal Department of State (DoS) released a Notice of Funding Opportunity (NOFO) outlining the consent requirements. The NOFO stipulated that the Resettlement Agencies must provide proof of written consent as a condition of refugee placement approvals and funding. Proposals must be submitted to the DoS by the Resettlement Agencies on or before January 21, 2020 and should include any affirmative consents or information on the status of consents sought. Effective June 1, 2020, refugees can only be resettled in locations where both state and local governments consent to their resettlement.
