To the Modoc County Interview Panel

Re: District Attorney Appointment

I am writing this in letter in support of Cindy Campbell a candidate for the position of District Attorney for the County of Modoc.

Over the past three years I have come to know that Cindy has worked in Alturas in a professional capacity and she has expressed an interest in Alturas as a place to live. I feel she would be an asset to the community, not only in the District Attorney position but also as a positive influence in our town.

Although I do not have any knowledge of her profession abilities I do know that her communication skills and her ability to express herself in a positive manner would be an asset to the office she is seeking.

Respectfully submitted,

To Members of the Modoc County Board of Supervisors:

Hello Board Members,

I am Michelle Ray, Executive Director of the Modoc County Arts Council and the wife of Bobby Ray, former Mayor of Alturas. As you interview prospective candidates to fill the rest of Sam Kylo's term as District Attorney, I would like to tell you about one of your candidates — Cindy Campbell.

I met Cindy Campbell through my brother Greg Jones who lives in Redding, as does Cindy. She and Greg came to visit Alturas and she commented on what a beautiful place this is and how she thought the people here were very down-to-earth. She told me how she enjoyed working here over the years on legal assignments.

Cindy and I had a common interest — scuba diving. She was already accomplished with many dives under her belt and she helped me get my training and dive certification. We went to Maui together two years ago and spent a week diving and having adventures. Cindy is a great person to spend time with. She is very smart, but not in a swaggering way. She is calm in any type of emergency or chaotic situation and comes up with solutions very quickly. Her wisdom and grace in dealing with even difficult people is uncanny, and they go away smiling. She has a quick wit and a dry sense of humor, but at the same time is very serious and direct when the situation calls for it. She is quick to smile and is impervious to attacks.

People, including me, look to Cindy for leadership. She is one in a million. Cindy is very excited about being given the chance to become a member of our community, buying a house and living here, and would be our DA for a long time. We would be very lucky to have her.

Thank you,
