# Enroll in CAL-Card Program for Government Entities

State agencies with purchasing authority, state agencies not under DGS purchasing authority delegation, and local government agencies are eligible to participate in the State’s CAL-Card Program.

The application process takes thirty (30) to sixty (60) days, depending on agency needs and agency responsiveness to U.S. Bank (card issuer) requirements.

State agencies under a purchasing authority delegation agreement with the Department of General Services must acquire Purchasing Authority Unit Certification.
